

### PERSONAL DETAILS

Full Name Edwin Ezequiel Hurtado Almeida

*ID Number* 0924311327

Date of Birth February 14, 2002

Nationality Ecuadorian

Address Urcuqui, Ecuador

Marital Status Engaged

Phone (+593) 98 727 8018

Institutional Email edwin.hurtado@yachaytech.edu.ec

## **EDUCATION**

Mathematics student 2020-Current

School of Mathematical and Computational Sciences, Yachay Tech University, Urcuqui-Ecuador Mathematics student with a focus on Algebra and Topology. Additionally grounded in Data Structures and Algorithms.

## **EXPERIENCE**

## Lessons of Integral Calculus

2023-Current

AMARUM

Experience in the creation of study guides for Integral Calculus students, focused on integration techniques and the comprehension of these topics at beginner levels within the framework of the Amarum Project. Amarum is an Ecuadorian-French organization dedicated to promoting high-quality mathematics education in Spanish in Ecuador.

### Software Development Volunteering

2023-Current

Colaborative Work

Main member at Connect-YT project aimed to develop a software to translate pdf documents to braille. Responsible of the high-precise translations and accuracy of the program

#### Founder Member of Math2Braille Project

2023-Current

Colaborative Work

Founder and contributor to Math2Braille, a project aimed at helping visually impaired individuals learn high-quality mathematics. Responsible for integrating the Nemeth Braille system and new tools into the Tomath program.

## Founder Member of Signify Project

2023-Current

Colaborative Work

Founder and contributor to Signify, a project aimed at helping individuals learn American Sign Language. Responsible for integrating the lessons and quizz system and new tools into the mobile app.

#### Teaching Assistant, Introduction to Programming

2022-2023

School of Mathematical and Computational Sciences, Yachay Tech

Guided students in core Python programming concepts and problem-solving techniques. Assisted with labs, graded assignments, and provided feedback to improve coding skills. Supported students in debugging and optimizing code, while promoting logical thinking. Collaborated with the instructor to track progress and ensure course objectives were met.

Private Tutor 2022-Current

Independent Work

Assisting students from various majors at Yachay Tech University in solving problems in subjects such as Linear Algebra, Programming in Python, Topology, and Group & Ring Theory.

## **PUBLICATIONS & WORKS**

E. Arisa García, L. Arteaga, J. Duta, E. Hurtado, R. Moya and M. Muñoz.

La fórmula de Leibniz y el Truco Favorito de Feynman (Accepted for Publication). *Mixba'al, Revista Metropolitana de Matemáticas*, 2024

E. Hurtado, L. Arteaga, J. Duta, M. Muñoz, A. Tirado, D. Almeida.

Development of a Python Program for Converting Spanish Math PDFs into Braille (Accepted for Publication). Lecture Notes in Networks and Systems, 2024

# **AWARDS**

Most outstanding poster in "Primer Coloquio / Academia - Sector Productivo":

June 2023

Yachay Tech University

Urcuqui, Ecuador

Finalist at TuApp2023 competition:

Feb 2023 - Oct 2023

Yachay Tech University

Urcuqui, Ecuador

# **EXTRACURRICULAR ACTIVITIES**

Math Club Yachay Tech: Board Member

Math2Braille Project: Co-Founder 2023-Current

Urcuqui-Ecuador

V Conference on Computer Science, Electronics and Industrial Engineering: Ponent November 2023

Urcuqui-Ecuador

2023-2024

I Inqueri Fore

Urcuqui-Ecuador

Hult Prize Ecuador Yachay Tech 2024: Participant. Project: Math2Braille Febrary 2023

Urcuqui-Ecuador

## **SKILLS**

Languages Spanish (Native Language)

English (Medium level)

Software Python, C++, LATEX, WXMAXIMA

Others Table tennis, Cooking, Boxing
